CALIMESA FIRE DEPARTMENT
POLICY MANUAL
VOLUME 1 - ADMINISTRATION
Policy: 101.04 Constant Staffing

11/2023

PURPOSE

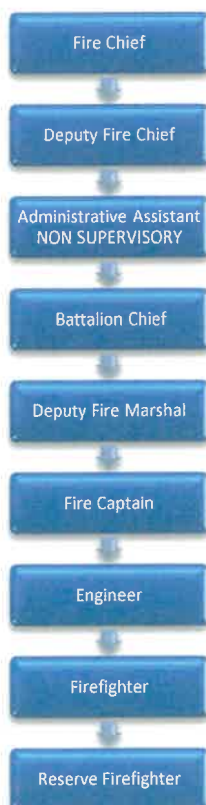

The purpose of this policy is to establish the chain of command and identify the relationship, roles and authority within the organization.

STANDARD

The Calimesa Fire Department is organized along the para-military lines of a pyramid. A chain of command will normally provide for:

- Transfer of authority from one organizational level to another.
- Provides two-way communications in the organization.
- Personnel will utilize the chain-of-command when submitting information or making requests.
- Personnel can exercise the chain of command verbally, in written form on paper or electronically through the department's computer network.

CHAIN-OF-COMMAND IS AS FOLLOWS:

CALIMESA FIRE DEPARTMENT
POLICY MANUAL
VOLUME 1 - ADMINISTRATION
Policy: 101.04 Constant Staffing

11/2023

PURPOSE

The purpose of the Constant Staffing Policy is to keep all emergency response units adequately staffed with the appropriately trained personnel to always provide minimum safe staffing levels to provide the best possible service to the Citizens of Calimesa.

POLICY

Constant staffing is defined as the process wherein members of the appropriate rank and qualification on an overtime basis fill positions that are vacant on a given day. Constant staffing is followed to keep the staffing levels of all units at required levels for safe and efficient operations.

Current minimum staffing levels are as follows:

Duty Battalion Chief

Engine Company will have one Captain/EMT, One Fire Apparatus Engineer, One Firefighter Paramedic or Firefighter/EMT, and / or one Reserve Firefighter/ EMT

A Truck Company will have one Fire Captain, one Fire Apparatus Engineer, one firefighter Paramedic/EMT and may have one Reserve Firefighter

A Brush Patrol or Squad will be staffed with a combination of two Fire Fighter Paramedics or EMT's.

DAILY MINIMUM SUPPRESSION STAFFING = SEVEN (7)

Scope of Authority

11/2023

PURPOSE

The purpose of the Scope of Authority Policy is to establish a structure for all Calimesa Fire Department staff members to follow.

All employees of the Fire Department shall comply with the provisions of this Fire Department Policy Manual, and the provisions of the City of Calimesa Personnel Rules and Regulations, except as otherwise expressly exempt from the Personnel Rules and Regulations. In the event of any conflict between the Fire Department Policy Manual and the City's Personnel Rules and Regulations, the Personnel Rules and Regulations shall take precedence.

Interns/reserves shall adhere to the policies, standards and guidelines set forth in this Manual, but are not employees of the City and serve in an at-will capacity and shall have no procedural rights or benefits of an employee of the City of Calimesa.

TITLES

Officers of the Calimesa Fire Department shall have functional titles as follows and shall, for administrative purposes, observe the following chain of succession. (Titles may vary based on operational needs or obtainability, but all titles are listed):

- Fire Chief
- Deputy Fire Chief
- Battalion Chief or Deputy Fire Marshal
- Fire Captain
- Engineer
- Firefighter
- Reserve Firefighter

RESPONSIBILITIES

An acting officer shall be governed by the same rules, Standard Operating Procedures (SOPs), Standard Operating Guidelines (SOGs), and general orders, as those governing a regular officer, and shall have the same responsibility and authority.

The first on-duty regular Department officer to arrive at a fire shall assume command..

Officers shall cause all companies not required at Emergency Incidents to promptly be made available for assignment.

Officers shall be just, dignified and firm in their dealings with subordinates and shall see that order and discipline are maintained among the members of the Department.

Scope of Authority

11/2023

Officers shall cause to be kept, in proper form, an accurate record of all business transactions in the Department.

Officers shall make a written report of any neglect of duty they may find on the part of any member of the Department.

Officers shall report, through proper channels, any member who refuses to obey their orders.

Officers shall have the authority to remove uniforms or any parts thereof from service and to otherwise regulate their use. Further, officers shall prohibit the use of any tools, appliances, implements or equipment which, in their estimation, are unfit for service.

Officers shall not interfere in matters of operation for which another officer of equal rank is responsible except with the latter's consent or by order of a superior.

Officers shall be vigilant and active in enforcing the provisions of this Policy Manual, require strict compliance therewith and cause prompt corrections of any infractions or irregularities.

Officers shall make prompt verbal reports to their superior of any unusual occurrence concerning the Department or its members, to be followed by a written report citing all details; including, but not limited to: where loss of life occurs, unusual damage develops, any violence is inflicted upon members or when any meritorious or heroic act occurs.

When an offense committed by a member under an officer's command is sufficiently serious in the officer's judgment to warrant immediate action, officers shall have the power to initiate disciplinary actions, providing an immediate verbal report of such action is made through channels and is followed by a written report of all factors relevant to this action by the officer.

Officers shall keep the Duty Chief/Fire Chief informed of all pertinent activities and information for the efficient operation of the fire department.

Officers shall promptly report their arrival to the officer-in-charge at emergency scenes.

Officers-in-charge of companies or a division shall keep an activity log, which will be a complete history of the activities and operations of their respective units.

Policy: 101.06 Correspondence with Management and Budget

11/2023

PURPOSE

The purpose of the Correspondence with Management and Budget Policy is to establish guidelines for Fire Department correspondence to management as it relates to the budget. The need for this policy is twofold:

1. To assure that the Fire Chief or Deputy Fire Chief is informed of all budget issues.
2. To assure that all budget requests are submitted in the correct format with all necessary information and paperwork and addressed to the appropriate person at the City Manager's office

POLICY

Fire Captains will submit memos to the Battalion Chief, Deputy Fire Chief, or Fire Chief explaining their budget requests. The Fire Chief or Deputy Fire Chief will then review the request and prepare all necessary paperwork, including justification memo, costing information, budget adjustments, and accounting data.

The Fire Chief or Deputy Fire Chief will review and evaluate all budget adjustments and related requests. The Fire Chief or Deputy Fire Chief will then forward recommended requests to the City Manager's office for approval or denial.

Requests to purchase unbudgeted capital outlay, items costing \$500.00 or more, must be submitted to the Fire Chief or Deputy Fire Chief, identifying funding sources. A justification memo must also be sent to the Fire Chief or Deputy Fire Chief. The Fire Chief or Deputy Fire Chief will then submit the purchase request to the City Manager.

The City Manager will notify the Fire Chief or Deputy Fire Chief upon approval or denial of the request.

Policy: 101.07 Emergency Medical Services

11/2023

PURPOSE

The purpose of the Emergency Medical Services policy is to establish the guidelines for the Calimesa Fire Department Staff to follow.

POLICY

The Calimesa Fire Department personnel shall comply with the Riverside County Emergency Medical Services Agency (REMSA) protocols for administration, operations, and patient treatment standards.

REMSA is responsible for developing and updating policies and protocols for the administration and operations of the EMS system. By state statute, the EMS agency medical director retains the final decision through their medical authority in matters pertaining to the planning, implementation, and evaluation of the EMS system including all EMS policies and protocols.

To the best of its ability, Calimesa Fire Department management will inform all staff and personnel when a new protocol and/or policy has been added or a protocol and/or policy has been updated. However, it is the responsibility of all staff to stay informed of the most recent protocols and policies.

VOLUME 1 - ADMINISTRATION
Policy: 101.08 Fire Station Use and Function

11/2023

PURPOSE

The purpose of the Fire Station and Use Function Policy is to outline the Calimesa Fire Department's approach to establishing working conditions and standards for Fire Stations and staff interaction with the public at these facilities.

POLICY

Fire Stations are designed and intended for the sole purpose of housing Fire Department Field Personnel (Fire Fighters) and their applicable equipment to allow the fastest response possible to customers within their specific response area. Although fire stations are funded with public tax money, they are not intended for public use unless specific spaces are indicated as such.

Station Visits – While conducting station tours for any visitor or group, precautions for safety must be taken. Tours shall be limited to public areas, i.e., apparatus bay, day room, dining room and associated corridors. Restricted areas are kitchen, laundry, weight room, employee restrooms/showers, and dorm rooms.

PROCEDURE

Standards provide for a “public use” area. Due to security, safety and liability issues, station staff should limit their interaction with the public to these areas. In the event that a civilian or public group requests a tour of the facility, all visitors must have a staff member present and the tour should be limited to a basic overview of station activities And shall be approved by the Duty Battalion Chief

Staff members may display and/or demonstrate the utilization of fire department tools or equipment such as apparatus, power tools and medical equipment. For safety reasons civilians are prohibited from utilizing these types of tools and/or equipment under any circumstances.

Non-fire department personnel who wish to observe Fire and or EMS related activities must complete a “Rider's Release Form”, in a form approved by the City. (See Form 401.06.) For Civilian Ride-Along Policy, see Policy 105.07.

Formal tours should be scheduled in advance and coordinated through the Office of the Fire Chief's Administrative Assistant or Duty Battalion Chief. Groups should be limited to a manageable size, in the event that a tour must be terminated due to a spontaneous emergency response.

Policy: 102.01 Pre-Employment Medical Evaluation for Fire Suppression Personnel

11/2023

PURPOSE

The purpose of the Pre-Employment Medical Evaluation Policy is to establish a structure to apply a medical evaluation to candidates for fire suppression positions, consistent with applicable State and Federal laws. The pre-employment medical evaluation will aid in reducing the risk and burden of fire service occupational morbidity and mortality. At the same time, it will contribute to safer and effective fire service operations of protecting life and property.

POLICY

In order to be eligible for employment in fire suppression, including Battalion Chief, Fire Captain, Engineer, and Firefighter candidates who have been granted a conditional offer of employment shall be required to pass a pre-employment medical evaluation and drug testing consistent with federal and state laws. Pre-employment medical evaluation shall be provided to Fire Department candidates at no cost to the candidate, provided the candidate the medical evaluation assessment is performed by a pre-determined Fire Department-approved contract medical entity. All candidates including intern/reserve positions shall be required to successfully pass a medical evaluation and drug testing.

The medical evaluation shall correlate to the guidelines of the National Fire Protection Association (NFPA) 1582: Standard on Comprehensive Occupational Medical Program for Fire Departments. The most current edition published at the time shall be applied to the candidate's medical evaluation.

A medical evaluation of a candidate shall be conducted prior to the candidate being placed in training programs or fire department emergency response activities.

The medical evaluation of a candidate shall include a medical history, examination, and any laboratory tests required to detect physical or medical condition(s) that could adversely affect the candidate's ability to safely perform the essential job tasks of the position.

Consistent with business necessity, the medical evaluation shall assess a candidate's:

- Head and neck
- Eyes and vision
- Ears and hearing
- Dental
- Nose, oropharynx, trachea, esophagus, and larynx
- Lungs and chest wall
- Aerobic capacity

VOLUME 1 -ADMINISTRATION
Policy: 102.02 Hiring Policy

11/2023

PURPOSE

The purpose of the Hiring Policy is to establish a structure for the Calimesa Fire Department to utilize when selecting members to join its organization. The hiring method shall be designed to be a competitive process to select the most qualified candidate for the organizational position within the Fire Department.

POSITION CLASSIFICATION VACANCIES

Whenever a position vacancy exists within the Fire Department, the Fire Department Executive Management staff is responsible for coordinating with the Human Resources Department and City Management to develop a plan to fill the vacant classification position.

City management reserves the right to elect not to fill a vacant position classification or cancel the hiring process of a specific position classification.

JOB ANNOUNCEMENTS

All open and promotional position classification vacancies shall be publicized by posting job announcements in City Hall on an official City designated bulletin board, on the City's official website and by such other methods as deemed advisable by the Human Resources Department for the purpose of recruiting well-qualified candidates from a wide geographic area through an open and fair process.

The job announcements shall specify the position title, compensation rate for the position classification, nature of the work to be performed in the position, minimum qualifications for the position, other desired qualifications for the position, if applicable, description of employment benefits offered to employees in the specific position classification, and the employment selection process of the position classification.

The job announcements shall be posted for a minimum of two (2) weeks.

Job announcements shall not be construed to be an offer of employment.

APPLICATION PROCESS

Documents utilized as application forms shall be designed, at a minimum, to allow prospective candidates the ability to identify their training, education, and experience as it relates to the minimum qualifications for the specific position classification in the job announcement. Other design characteristics may be mandated in the construction of the application form document at the discretion of the City's Human Resources Department.

CALIMESA FIRE DEPARTMENT
POLICY MANUAL
VOLUME 1 -ADMINISTRATION
Policy: 102.02 Hiring Policy

11/2023

Application form documents must be made easily assessable to prospective candidates to acquire for a particular position classification being advertised.

Application form documents for consideration of an advertised job announcement must be submitted to the appropriate location within the specified time frame as indicated on the job announcement.

The City's Human Resources Department personnel or its designees will review the submitted applications and determine if a particular application meets the minimum qualifications as set forth in the job announcement and is properly completed as indicated by additional special instructions, if any.

Candidates' applications that are deemed properly completed and exhibit the position classification's minimum qualifications shall advance to the examination process of the hiring process.

Candidates shall be notified by written communication of their results of the application review process. Candidates who successfully pass the application review process and advance to the examination process will be given further instructions by written communication.

EXAMINATION PROCESS

The examination process shall be impartial, practical in nature, and job related. The examination process techniques will fairly test the qualifications of candidates. The test may include, but is not limited to, achievement and aptitude tests, other written tests, oral interviews, performance tests, physical agility tests, work samples, or any combination thereof.

Human Resources Department personnel or its designees will proctor the examination process and review the results of the test to determine a list of candidates most qualified to advance to the Fire Chief's interview.

Candidates shall be notified by written communication of their results of the examination process. Candidates who successfully pass the application review process and advance to the examination process will be given instructions and information on the Fire Chief's interview.

FIRE CHIEF'S INTERVIEW

The purpose of the Fire Chief's interview is to allow an opportunity for the Fire Department's executive manager to meet and converse with a prospective individual under consideration for potential employment with the Calimesa Fire Department.

The Fire Chief's interview will allow the Fire Chief to develop an impression of the candidate's demeanor and personal characteristics. The impression will determine how the candidate's potential involvement with the Calimesa Fire Department will apply towards the success of the Fire Department's mission statement, community relations, co-worker interactions, multi-fire agency collaboration, and overall match as part of the City's workforce.

The interview will consist of open dialog where the Fire Chief will assess the candidate's knowledge, ability, motivation, aspiration, and personality.

The Fire Chief will develop recommendations for employment based on the interview process. The recommendations applicable to each candidate will be forwarded to the Human Resources Department. An offer of employment will be made by the Human Resources Department and be contingent on the candidate passing a pre-employment background check, medical examination, and drug test. All initial hires shall be required to serve an at-will Twelve (12)-month employment probationary period. The Human Resources Department will also be responsible for notifying candidates who are not recommended for employment. All appointments are subject to approval by the City Manager or their designee, as the Appointing Authority for the City of Calimesa.

Candidates shall be notified by written communication of their results of the Fire Chief's interview. Candidates who advance to the employment contingent offer will be given instructions and information regarding pre-employment background assessment, medical examination, drug testing, and probationary period.

PRE-EMPLOYMENT BACKGROUND CHECK

The Pre-Employment Background Check shall apply to all individuals prior to gaining employment with the Calimesa Fire Department or serving as an intern/reserve.

The purpose of the background check is to investigate, verify, assess and evaluate an individual's history (such as criminal history and employment history) and to aid in minimizing the liability associated with protecting the City of Calimesa, its employees and interns/reserves, and members of the public.

For the criminal history background investigation procedures, refer to the City of Calimesa's Policy for Conducting Criminal Background Checks and Securing Received Criminal History Information contained in the City of Calimesa Personnel Rules and Regulations. Further information may be obtained from the City of Calimesa Human Resources Department.

MEDICAL EXAMINATION

The pre-employment medical examination shall apply to all candidates for positions engaged in fire suppression with the Calimesa Fire Department as outlined above. For non-fire suppression positions, and in accordance with Rule 17 of the City of Calimesa Rules and Regulations, the City may also require that candidates for certain designated non-fire suppression positions undergo a fitness for duty examination that is job-related, necessary for efficient operations of the Department, and required of all applicants for that position.

The purpose of the medical examination to determine whether the candidate is able to perform the essential functions of the specific position classification.

For further information on pre-employment medical evaluations for fire suppression candidates, refer to Policy No. 102.01.

REASONABLE ACCOMMODATION.

Absent undue hardship or direct threats to the health and safety of the applicant or employees, the Fire Department provides employment-related reasonable accommodations to candidates during the pre-employment application process and to allow them to perform essential job functions.

PROBATIONARY PERIOD

Any person employed as a firefighter, engineer, fire captain, or battalion chief shall serve a probationary period at the outset of their initial employment or re-hire, and at the outset of any promotion to a higher classification, to demonstrate their fitness for the position by actual performance of the duties of the position to which they have been appointed. The positions of Fire Chief, Deputy Fire Chief and Battalion Chief are management positions exempt from the competitive service, and serve in an at will status at all times. The non-employee positions of interns/reserves also serve in an at-will status at all times.

New Hires and Re-Hires

All newly hired (and re-hired) firefighters, engineers, fire captains, and battalion chiefs shall serve a Probationary Period upon their initial hiring as an employee of the Calimesa Fire Department. The probationary period upon initial hire shall consist of the first twelve (12) months of actual and continuous service of the individual's employment with the Calimesa Fire Department.

Policy: 102.02 Hiring Policy

11/2023

Periods of time paid or unpaid leave exceeding five (5) days (consecutive or not consecutive) shall automatically extend the probationary period by the number of days the employee is on leave. A probationer/probationary employee is an at-will employee who serves at the pleasure of the Appointing Authority, has no property right in continued employment, may be rejected at any time during the probationary period with or without cause or reason, and has no right to any pre- or post-disciplinary procedural due process or evidentiary appeal, and has no rights under the Firefighters Procedural Bill of Rights Act (FFBOR), including but not limited to a right to an administrative appeal.

An employee shall only be deemed to have passed probation at the end of the probationary period if, after completion of successful final testing and evaluation, which shall be completed at least thirty (30) days prior to the end of the probationary period The Fire Chief shall then requests the employee to be made a regular employee, and the Personnel Action Form shall be signed by the Appointing Authority. If the Fire Chief does not recommend regular employment and the Appointing Authority does not make a regular appointment, the employee shall be rejected.

Promotional Appointments

Promotional appointments to the position of firefighter paramedic, engineer, captain, and battalion chief, shall be subject to a probationary period of six months of actual and continuous service, during which an assessment will be made of capabilities for the promotional position. During a promotional probationary period, the probationary employee shall be at-will employee as to the promotional appointment, and shall serve at the pleasure of the Appointing Authority and may be rejected from their probationary promotional appointment at any time without prior notice or right of appeal, including any administrative appeal relating to their promotion

Extensions of Probationary Periods

Any new hire (or re-hire) probationary period may be extended for up to an additional six months for employees serving in a promotional probationary status, at the recommendation of the Fire Chief and the Human Resources Director, with approval by the City Manager. Whenever possible, the Fire Chief (or Deputy Chief) shall give the probationary employee written notice of the extension of the probationary period prior to the expiration of the probationary period

Non-Fire Suppression Positions

Candidates for employment in non-fire suppression positions within the Fire Department shall be required to demonstrate they meet the minimum qualifications for the position and comply with all applicable requirements set forth in the City of Calimesa Personnel Rules and Regulations for applicants. All offers of employment shall be contingent on the candidate passing a pre-employment background assessment, pre-employment fitness for duty examination and drug testing consistent with applicable State and Federal laws, and such applicants shall be subject to all other selection, verification and/or hiring procedures including service in a probationary period

A probationer/probationary employee is an at-will employee who serves at the pleasure of the Appointing Authority and may be rejected or terminated at any time during his/her probationary period at any time by the Appointing Authority with or without cause, and has no right to any pre or post-disciplinary due process or right to an evidentiary appeal, as provided in Rule 20.

Emergency Workers

The purpose of the Emergency Worker policy is in the event of an emergency, the City of Calimesa can ask an Intern/Reserve if they are able to work as an Emergency Worker.

This policy is to comply with Publication 15 of the Employer's Tax Guide published by the IRS Section 15 and the United States Department of Labor Wage and Hour Division dated March 2011, Fact Sheet 7.

With this policy in place the City of Calimesa will not replace full-time staff with Intern/Reserve. The City of Calimesa will attempt to offer full-time staff the opportunity to fill the vacancy of an Emergency Worker.

If the vacancy is filled by an Intern/Reserve, they will receive pay at the starting step of Firefighter/EMT.

The Emergency Worker Policy will only be used in the event of an emergency as defined under State and Federal law.

Excluded Positions

Employees in "Excluded Positions", as defined in the Personnel Rules and Regulations, are at-will employees who may be terminated at any time, without prior notice or cause and without any right of appeal. For further information, refer to Rules 13 through 25 of the City of Calimesa Personnel Rules and Regulations.
