CALIMESA FIRE DEPARTMENT
POLICY MANUAL
VOLUME 1 - ADMINISTRATION
Policy: 102.03 Job Description

11/2023

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Physical demands for this job may include frequent climbing, balancing, stooping, kneeling, crouching, crawling, reaching, handling, feeling, talking, hearing, the ability to lift, carry, push, pull greater than 50 pounds. Specific vision abilities required by this job include near and far sight acuity, depth perception, color vision, field of vision, peripheral vision, and the ability to adjust focus. Flexibility is important because of the need to enter and exit vehicles quickly, inspect buildings, climb over and around obstacles, suddenly move out of the way of dangers, etc. Mental alertness is important because of the need to make fine distinctions and decisions concerning subtle cues to impending danger. Physical and mental demands may change dramatically within a few seconds and tax the maximum of human endurance. Therefore, the employee must maintain a physical and mental state of fitness and readiness that will enable them to handle recurrent contacts and involvement with dangerous and potentially dangerous situations. While performing the duties of this job, the employee is required to maintain the ability to walk up and down stairs, utilize protective equipment, including eye wear, footwear, respiratory aid, hard hat, gloves, and protective clothing, endure moderate exposure to weather, extreme heat and/or cold, wet and/or humid conditions, high level noise intensity, vibration, darkness/poor lighting, moving mechanical parts/hazards, high, exposed places, toxic/caustic chemicals, dirt/dust, odors, and other environmental conditions.

Work Environment:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of the job. While performing the duties of this job, the employee will be subjected to electrical hazards, fire hazards and unsafe conditions and may be exposed to wet and/or humid conditions, fumes, hazardous chemicals and materials, intense heat, extreme cold, natural, and man-made disasters and hazards associated with working in and near traffic. The noise level in the work environment varies from moderate to extreme.

This job specification should not be interpreted as all-inclusive. It is intended to identify essential functions and requirements of the job. Not all incumbents may perform all duties at all times. However, incumbents must be able to perform essential duties, with or without accommodation for disability at any time while holding this position.
