Procurement Card Conditions of Use:

The City Procurement Card is to be used for official City business and may not be used for personal purchases under any circumstances. Failure to follow the City Council Procurement Card Policy may lead to the suspension or termination of a procurement card and disciplinary action. Reimbursement to the City by the employee for the unauthorized charges is mandatory.

The Procurement Card Use Form must be completed immediately after purchase is made.

Form must be filled out completely and submitted to Accounts Payable for processing.
