POLICY MANUAL

VOLUME 3

Policy: 301.06 Personal Injury Reporting

11/2023

Page2 of 2

NOTIFYING YOUR CAPTAIN OR BATTALION CHIEF

It is the injured employee's responsibility to notify the employer as soon as possible. **ALL INJURIES SHOULD BE REPORTED IMMEDIATELY** (within 4 calendar days) if you wait to report an injury you take the **RISK** of your claim being investigated and being denied.

Any injury reported after 1 week (7 calendar days) has been asked to be investigated by City Manager. If you believe you do not need treatment on the day of the injury, please fill out an Employee Report Work-Related Injury or Illness Form (form 403.07), let your supervisor know, have him sign it and send it to the Deputy Fire Chief. Any injury reported longer than 7 calendar days could result in a denial of the claim.

THE INJURED EMPLOYEE WILL COMPLETE ALL FORMS

Make sure the following have been done after completing the form:

1. Sign on every page
2. List where the injury occurred.
3. List witnesses

These forms shall be completed as soon as possible after the occurrence of any injury of even minor significance.

After all forms have been completed and reviewed, the City of Calimesa Fire Department Injury Report form will be forwarded to the Human Resources Department to be reviewed and signed. After signing the Injury Report, the Fire Chief sends the Injury Report form to the Human Resources Department for distribution to Payroll, Fire Safety and City Safety.

The Duty Battalion Chief or Deputy Fire Chief and Human Resources Department shall review all injury reports for completeness and shall use the information contained. The Training Officer/ Chief and City Manager may initiate additional recommended corrective actions to the Supervisors involved.

All accidents/injuries are subject to review by the Fire Department.

POLICY MANUAL

VOLUME 3

Policy: 301.07 Return to Work After Injury

11/2023

Page 1 of 1

PURPOSE

The purpose of the Return to Work After Injury Policy is to establish a structure to be applied to Fire Department employees who intend to return to performing their full essential job functions of their position classification from an absence from work due to illness or injury.

POLICY

Employees who are returning to work from an absence due to illness or injury that may cause limitation in their work performance must get documentation from their primary care physician, fire department's medical physician, and / or the physician or medical specialist providing treatment indicating the employee can perform the physical requirements under the environmental conditions of their respective position classification.

The physical requirements of position classifications can be found on job descriptions.

Management has the authority to require an employee get a medical evaluation from the fire department physician if the manager suspects a related illness or injury restricts their work performance.

VOLUME 3

Policy: 301.08 Annual Employment Medical Evaluation

11/2023

Page 1 of 2

PURPOSE

The purpose of the Annual Employment Medical Evaluation Policy is to establish a structure to apply medical evaluations to existing employees, members, or volunteers of the Calimesa Fire Department. The annual employment medical evaluation will aid in reducing the risk and burden of fire service occupational morbidity and mortality. At the same time, it will contribute towards safer and effective fire service operations of protecting life and property.

POLICY

Annual employment medical evaluation shall be provided to employees, members, or volunteers of the Fire Department at no cost to the candidate provided the candidate elects to have the medical evaluation performed at a pre-determined Fire Department approved medical entity.

The medical evaluation shall correlate to the guidelines of the Nation Fire Protection Association (NFPA) 1582: Standard on Comprehensive Occupational Medical Program for Fire Departments. The most current edition published at the time shall be applied to the fire department's annual employment medical evaluation.

A medical evaluation of a candidate shall be conducted prior to the candidate being placed in training programs or fire department emergency response activities.

The medical evaluation of a candidate shall include a medical history, examination, and any laboratory tests required to detect physical or medical condition(s) that could adversely affect his/her ability to safely perform the essential job tasks of his or her position.

The medical evaluation shall assess a candidate's:

- Head and Neck
- Eyes and Vision
- Ears and Hearing
- Dental
- Nose, Oropharynx, Trachea, Esophagus, and Larynx
- Lungs and Chest Wall
- Aerobic Capacity
- Heart and Vascular System
- Abdominal Organs and Gastrointestinal System
- Metabolic Syndrome
- Reproductive System
- Spinal and Axial Skeleton
- Extremities
- Neurological Disorders
- Blood and Blood-Forming Organs

The medical evaluation authority shall generate their recommendation of the candidates to participate in tasks associated with position.

CALIMESA FIRE DEPARTMENT

POLICY MANUAL

VOLUME 3

Policy: 301.09 Housekeeping

11/2023

Page 1 of 1

PURPOSE

The Housekeeping Policy will apply to all general staff on how to maintain good housekeeping. With good housekeeping practice this will ensure that the fire station will be presentable at all times.

POLICY

To ensure that all staff understand good housekeeping, this policy will give instructions on how to maintain the inside of the fire station.

All staff will have beds made prior to 0700. All floors will be mopped or vacuumed each day. All bathrooms will be cleaned, faucets and sinks will be wiped clean each day. All showers will be cleaned each day. All toilets will be scrubbed clean of any stains and be wiped down.

KITCHEN

When the kitchen has been used to prepare a meal after the staff has eaten the kitchen must be cleaned and all surfaces wiped down. All table surfaces will be wiped down daily. The kitchen table will be wiped down after every use.

REFRIGERATOR/ FREEZER

Once a week the staff will check the refrigerator for expired or molded food and discard said item. Refrigerator/ freezer will be wiped down inside and out once a week.

DAY ROOM

Each day the furniture in the day room will be put back into its original seated position. If any furniture is in need of repair the Company Officer will be notified and a written repair memo will be sent to the Battalion Chief.
